

Tab 142

Exploded view diagram of a mechanical assembly, likely a washing machine door, showing various components and their assembly points. The diagram includes a main door panel (2) and a control panel (241). The door panel features a handle (249) and a latch mechanism (242, 243, 244). The control panel includes a display (267) and a control knob (263). The door panel is secured by a latch (263) and a handle (249). The control panel is secured by a handle (249) and a latch (242, 243, 244). The door panel is secured by a latch (263) and a handle (249). The control panel is secured by a handle (249) and a latch (242, 243, 244).

Key components and parts labeled:

- 2: Main door panel
- 241: Control panel
- 242, 243, 244: Latch mechanism
- 249: Handle
- 267: Display
- 263: Control knob
- 268: Latch
- 269: Latch
- 183, 184, 185, 186: Internal frame components
- 536, 537, 538: Bolts and fasteners
- 625, 626, 671: Screws and fasteners
- 131, 135: Screws and fasteners
- 42: Small component
- 550: Small component
